Van Meter Inc.
Why should industrial distributors take time to give tours?
Why is it important to know your audience?
The more you know… the better you can customize the experience.

- Students
- Candidates
- Customers
- Industry Partners
- Community
What things should you consider when giving a tour?
Who should host or be responsible for giving a tour?
It takes a team!
What examples of success can you share?
Internships | Best Practice Sharing | Job Shadowing

Junior Achievement | Iowa BIG | Career Fairs
Who has the next Question?
Thank You!
