

DON GARNER

Nashville Rubber & Gasket

WHY I LIKE INDUSTRIAL DISTRIBUTION:

I have been in a lot of jobs that are not as exciting as this job. I never get bored. In this industry you have to have a sense of humor.

ADVICE TO JOB SEEKERS:

Working in this industry you have to want to learn, be able to shake the dust off your boots, and move on. Getting a degree is a definitely a plus in today's market. You have to be patient, willing to put in time, and learn the products to be successful.
